What they don't tell you on Facebook for your Business...
by SocialiteMedia on Wednesday, January 19, 2011 at 11:22am Edit

Are you a business using social media? Well we just found out some information you **NEED** to know that they don't really TELL you about maximising your use on Facebook.

Which is why we think it is valuable to share...

Go here to our FREE GIFT TAB -
http://www.facebook.com/socialitemediafb?v=app_7146470109

Then: leave a comment as to 'why you love facebook' and we will share this information with you!

Like

Like or not to Like...that is the question

Custom Tabs

The image shows a screenshot of a Facebook page interface. At the top left, the word "facebook" is written in white on a dark blue background. To its right are icons for a person, a speech bubble, and a globe. Further right is a search bar with the word "Search" inside. Below the search bar, the page content is divided into two main sections. On the left, there is a custom tab for "Static FBML". The tab's icon is a green square with two white arrows pointing left and right, and a small grey box with a white code symbol (<>) in the bottom right corner. Below the icon is the word "facebook" in white on a dark blue background. To the right of the icon are three buttons: "Wall", "Info", and "Reviews". Below the "Static FBML" tab, there are three options: "Add to my Page", "Add to My Page's Favorites", and "Suggest to Friends". Below these options is a grey box with the word "Information" in bold. On the right side of the page, there is a section for "Static FBML" with a "Like" button. Below this is the "About Static FBML" section, which contains the text: "Add advanced functionality to your Page in which you can customize." Below this is the "Friends using this Application" section, which contains the text: "No friends are using this application." A black arrow points from the "About Static FBML" section to the "Add to my Page" option.
